

Attestation E1-257-2/2013

Herewith it is confirmed that in the second half of 2013 a regular supervision of the building product

Kronopol HDF

HDF, , unfaced
technical class: DIBt 100, E1
in the thickness range: ≤ 12 mm

manufactured by

Kronopol Sp. Z.o.o
ul. Serbska 56
68-200 Zary
Poland

was carried out by the approved supervision body (NDS08)

Fraunhofer-Institute for Wood Research

Wilhelm-Klauditz-Institut WKI
Bienroder Weg 54 E, 38108 Braunschweig, Germany

according to supervision contract no. 257 dated 14 August 1998. It was found, that the requirements on personal and equipment are suitable to produce the product in an adequate way and the factory production control meets the requirements of the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt - Guideline 100)" dated June 1994. This attestation confirms the validity of E1-Certification No. 257 and is part of the evaluation report. The continuous external supervision of factory production control shall take place twice a year.

Dipl.-Ing. Harald Schwab
Braunschweig, 20 November 2013
